WHAT IS PAL?

Police Athletic League (PAL) is a juvenile crime prevention program that relies heavily upon academics and recreational activities to create and maintain the bond between police officers and kids on the street.

PAL is based on the strong belief that children, if reached early enough, can develop a strong positive attitude towards police officers in their journey through life towards the goal of adulthood and good citizenship.

The aim of our efforts are to build self-esteem and resiliency in youth and to provide positive alternatives to alcohol, tobacco, drugs, delinquency, violence, gang activity and other negative behaviors. PAL programs include: Youth Leadership Group, football, karate, cheer and dance, basketball, after-school program and summer camp, and service over 400 kids. Many of these children use the PAL center as their second home.

Our Police Athletic League is only as good and as strong as the community that supports us. It is vital to have the backing of the community, local businesses, and industries to provide funds.

Of course all donations are GREATLY appreciated as well as tax deductible. They enhance our outreach efforts so that we are able to SERVE more youth.

Please visit our website: www.wpbpolice.org/pal for further information and if you choose to donate by email we have a secure site on our donation page. Please give generously. Thank you in advance.
